ANYWAY SNAP-ON 3D HINGE

Our premium Anyway Snap-on hinge provides a fast and flexible hinge-to-plate mounting for time savings at cabinet assembly

Mounting cabinet doors even the tallest ones! has never been this easy.

Soft closing assures above-average consistency of performance with no bounce effect and reliable closing at all closing speeds.

A silent, smooth and safe door closing, enabled by soft close systems, considerably enhances the end-user experience.

Two Way Free Flow
(Hover 45°-110°)

Small Angle Soft Close
(5°-15°)

Quiet and Smooth
Landing

- Elegant and slim design and the miniature damper technology brings a stylish new hinge.
- Assembly comfort is the new benchmark. The intuitive Anyway technique simplifies and speeds the process of mounting cabinet doors.
- Effortless opening, smooth closing and high quality manufacturing guarantee a pleasurable customer experience.

AVAILABLE IN
TWO COLOR OPTIONS

HH-151
Nickel

HH161
Anthrazit

- Prefixed Screws for faster assembly
- Door Thickness (16mm to 26mm)
- Integrated Buffer is more uniform and powerful
- Also Available in Slim Plate

Sophisticated and durable, the Anyway Snap-On series combines elegant design with smooth motion and With its innovative damper concealed in the smallest space, **STYLISH** cabinet hinges lead the way for a premium experience in door motion.

The Anyway snap-on feature is particularly useful in situations of tall doors with multiple hinges.

Not only is the efficiency of door attachment improved, but also the connection between hinge and plate stronger.

Door adjustment (3D)
